IP Network Disclaimer:

IP Address represents the public network address observed by the server during OTP verification. It may represent a mobile carrier, broadband connection, VPN, proxy or shared NAT gateway.

Legal Statement:

This document was electronically accepted using an OTP sent to the customer's verified mobile number. The acceptance evidence includes the document hash, OTP verification event, authenticated session, IP address, device metadata and timestamp. This is not a DSC-backed signature unless separately processed through a licensed eSign provider.
